

# M.D. Betts Elementary Book Signing & Poetry Reading Event

Congratulations to students at M.D. Betts Elementary for being selected to be published in the book *A Celebration of Poets*, a national publication by Creative Communication. A total of 60 entries were selected to be published out of the 96 poetry entries that were submitted. A Book Signing and Poetry Reading event was held to feature this year's 3rd and 5th grade students. Parents and family members were invited to listen to students read their poems and have their poetry books autographed.
